Prof. UMA VENNAM , Vice-Chancellor of SPMVV is a Professor of Social Work. trained in premier institutes, both in India and abroad.

Prof.Uma works in the area of rural poverty and social development with specific reference to women and children. She has over four decades of experience in teaching and research, training field workers, managing and coordinating field work with a multi-disciplinary team.

Prof.Uma is a qualitative researcher and has lead on the qualitative research for Young Lives in India, a Multinational Longitudinal Study of Childhood Poverty, funded by the DFID and undertaken in collaboration with the University of Oxford.

She also worked with the University of Sussex and serves on the advisory board of CIRCY. She was Team Leader of the World Bank funded Andhra Pradesh District Poverty Initiatives Project (APDPIP) and Andhra Pradesh Rural Poverty Reduction Project (APRPRP) Process Monitoring teams.

Prof.Uma is an acknowledged social development expert with excellent qualitative research skills. She has travelled extensively for her research work, invited lectures and paper presentations in conferences.

At the University level, Prof Uma has been a member of both academic and administrative bodies, contributed to the corporate life of the university and offered valuable service thereby contributing to the growth and development of the Institution.

Prof. Uma has been presented with the Best Teacher Award by the Government of Andhra Pradesh in 2014. Born into a family of educationists, Uma is second of the four children to her parents, with two sisters and a brother. Feeling encouraged and supported at all times, Prof Uma attributes her success to the family, and her commitment and hard work.

Prof.R.Usha, is a distinguished academician and administrator with over two decades of experience in teaching, research, and university administration. She is a Professor in the Department of Biotechnology at Sri Padmavati Mahila Visvavidyalayam (SPMVV), Tirupati, and has made significant contributions to the growth of higher education, research, and institutional governance. Her areas of expertise include biotechnology, nanotechnology, agricultural biotechnology, environmental biotechnology, artificial intelligence applications in life sciences, and sustainable technologies. She has been actively involved in multidisciplinary and transdisciplinary research, collaborating with national and international institutions. Prof. Usha has published research articles in reputed Scopus and Web of Science indexed journals, book chapters, and patents. She has successfully handled and contributed to several major research projects addressing critical issues in health, agriculture, environment, and rural development.

In addition to her academic excellence, Prof. Usha has held several key administrative positions at SPMVV, including Director of Research and Development Cell, Associate Dean – Centre for International Relations, Placement Officer, Head of the Department of Biotechnology, and Coordinator of various statutory and academic bodies. Her administrative leadership is characterized by transparency, efficiency, and a strong commitment to institutional quality enhancement. She is a recipient of numerous prestigious awards, including the State Best Teacher Award by the Government of Andhra Pradesh, the University Best Teacher Award, and several national and international recognitions. As the Registrar of Sri Padmavati Mahila Visvavidyalayam, Prof. R. Usha plays a pivotal role in academic administration, policy implementation and institutional development, contributing significantly to the university's mission of excellence in women's education and research.
